Dear Renate,

Thank you for participating in CARE's London to Paris Cycle Challenge. Your support for CARE has always been exemplary and I was happy to learn that you were representing us for this challenging overseas ride.

We are proud of our partnership with World Wings. I would like to personally thank you and your fellow members for your fundraising efforts around this challenge. You are a valued member of the CARE family, and your dedication and commitment is inspiring for us all.

On behalf of CARE and the more than 59 million men, women, and children we served this year, we thank you for your unwavering support over the years. I look forward to hearing about your ride!

Sincerely,
